LEGAL NOTICE.

John Michael, while engaged in pruning apple trees, fell to the ground and severely injured the south and to appoint to consulships men unfriendly to the South.

The South will witness the prosperity it longs for when it can point to the fact that laws are obeyed and that all persons are secure in their rights while living under the Southern Stars. They complain that the truth has been told rather than that they have been slandered. Capitalists making investments go among law abiding people, and when the South becomes such, there will be prosperity come to them as it has to the North.

John Michael, while engaged in pruning apple trees, fell to the ground and severely injured the interest making investments go among law abiding people, and when the North.
